THE LIHOU CHARITY LBG

Lihou House Operation Instructions

DOS AND DONTS

IMPORTANT

PLEASE ABIDE BY THE FOLLOWING IN THE INTEREST OF FUTURE USERS OF THE HOUSE AND ISLAND

Please DO the following

- Look after the house and treat it with respect.
- Take ALL your own litter and rubbish home with you.
- Recycle everything you can
- Collect and bag any litter/bottles found on the beaches or island.
- Report any damage to the house – Accidents happen!
- Avoid the high ground above Venus Pool and the northern tip of the island around dusk and during dark hours, as these are important bird roosting sites.
- Return ALL collected natural beach materials to where they came from.
- Leave the furniture as you find it.
- Contact the warden if you are unsure about anything.
- Use your common sense.

Please DO NOT do the following

- Have any fires on the island.
- Use coal or any derivatives in the lounge fire – Only wood to be used.
- Put anything other than toilet paper down the toilets, as this is not good for the sewage system.
- Have any food or sweets upstairs as this may encourage vermin.
- Use bleach or strong detergents, as these are also not good for the sewage system.
- Wear outdoor footwear on any carpeted surfaces within the house.
- Try and cross the causeway when it is covered even if only by a little water as the tide rises fast and runs quickly.
- Enter the restricted bird nesting areas that are roped off between the 31st of January and the 31st of July.
- Leave ANY unused foodstuffs in the cupboards or fridge as the fridge gets turned off and the next guests in the house might be some time away.
